Denni O #22 - Funnel Of Love

[Call for Pricing](#)

Denni starts out doing a circle suck for a large group of 13 guys. After they're rock hard she puts on a show with one of her favorite monster dildos. The guys fuck her one by one and after each has grunted his load into her insatiable pussy, they insert a large clear funnel and start jerking off bukkake style into her gaping cunt. There must be a half cup of cum in there when they are done. After feeding her the sperm from her pussy with a spoon, the massive funnel is pulled out. A huge gush of the leftover cum rushes out and onto the floor... what a shot!
