Amazing Ty #50 - Bubbly Pussy

[Call for Pricing](#)

Amazing Ty is fucking her holes with giant dildos and decides to do something really bizarre, She spreads her stretched out hole with a big speculum and then pours her soda pop into her hole. She drinks it all out of her pussy with a long clear hose. Ty is experimenting with her pussy again and she fucks herself to orgasm with some unusually big dildos. Once her cunt is so stretched that it is naturally gaping, Ty inserts another big speculum. This time she pours her cola into her cunthole and she sucks it in and out with her long hose. Once again, Ty finds herself playing with big toys and getting off. When she gets thirsty, she puts in a big clear plastic funnel into her big hole and pours her glass of water inside. She blows bubbles inside her pussy and plays with her fluid filled hole. Ty gives a whole new meaning to the term Bucket Cunt!
