Amazing Ty #21 - Erotic Nightmare

[Call for Pricing](#)

Embark upon a bizarre and mind bending experience when you join Amazing Ty on an all night quest to satisfy her hungry holes. She gets off and changes toys several times, before you accompany her inside to watch nasty porn videos and continue jerking off. Ty plays with her pussy and urethra even inserting an unusual series of toys into her stretched out peehole. Is this girl a freak?!? Soon she's upside down gaping her cunt, ass and urethra for the camera with her fingers and speculums. You can see her urethra fucked with a dildo while her cunt is gaped. This only fuels Ty's morbid need for stretching and sex.
