Denni O's Xtreme Dildo Lesbians #10 - Double Bubble

[Call for Pricing](#)

This is bigger than the latest sighting of Bigfoot! Denni O and her two new busty friends are up to some stretching shenanigans with toys. Their elastic, enlarged holes are stretched to infinity with mammoth dildos. They're getting double-teamed by ginormous latex logs and industrial-strength vibes that keep them cumming. You can see the inner-workings of humongous, stretched pussies when you look into their speculum-stretched holes. Witness their amazing bubble-blowing coochies. This is BIG, REALLY BIG with a huge clit and 3 pairs of DD boobs!!
