Amazing Ty #40 - Toybox Extreme

[Call for Pricing](#)

Amazing Ty dumps her toy box on the bed and gapes her huge pussy for you and you can tell she has been stretched out beyond repair. She takes out a large penis pumping tube and attaches it to her meaty cunt. She pumps her twat meat into the clear tube about three inches and her pussy hole turns inside out in the tube. Ty uses a vibrator on the outside of her pumped up pussy then jams it up her ass. This causes her to squirm and moan. She jams two monster dildos into her pussy at once and gets off hard. She stuffs both ends of a huge double dong deep inside and gets off from the intense t*rture. Ty's dominate side comes out when she orders Extreme Missy to fuck her pussy with several monster dildos. Then Missy inserts a speculum to spread Ty's big cunt wide and buries a vibrator completely into Ty's pee hole. The girls get kinkier and kinkier until the whole bed is soaked with Ty's juice!
