Amazing Ty #42 - Ass Bustin'

[Call for Pricing](#)

Amazing Ty is playing with her friend Extreme Missy and letting her probe her big cunt and urethra with her toys. Missy inserts a speculum into her cunt hole so you can see her fucking Ty's pee hole with her fingers and dildos. After Ty cums several times very loudly, Missy begins to work some very huge toys into Ty's ass and then both her ass and pussy at the same time. Of course, screams of pleasure follow the insertion of every huge object. After Ty is good and stretched, she is joined by Bob, who has a cock as thick as a beer can! He fucks Ty really hard in the ass at the same time Missy is shoving huge dildos into her pussy. Ty shouts so loud from the intense fucking that the neighbors almost called the cops. Bob cums a massive load up into Ty's ass and then Missy slurps it out and plays with the load in her mouth. This is the most intense action packed anal video that Ty has ever made and once you see it you will know why. You won't use the fast forward button once.
