Denni O #23 - Cum Bath Gang Bang

[Call for Pricing](#)

Denni O introduces her slut girlfriend Jasmine to her huge stable of hung studs for a nasty gangbang. She promises that she is going to get a good fucking by the roomful of big cocks and then they both prepare the guys by sucking the never ending line of dicks. Denni is her usual kinky self. She decides to use female condoms for the first time in a video and helps Jasmine stuff one into her pussy. These unusual contraptions are perfect for collecting the big gagging loads of hot sperm that these horny guys gladly pump into Jasmine's pussy. After each guy comes they hand their slimey spent scum-bag to Denni who empties the contents into a jar. When they guys just can't cum anymore, Denni splashes the gooey stuff all over Jasmine's writhing body then licks it off for a nasty cum banquet that you won't believe!
