Amateur Sluts & Real Swingers #55 - Extreme Lesbian Love #06

[Call for Pricing](#)

Denni O and Extreme Missy are playing with Amazing Ty and force a big clear dildo into her cunt for some unusual peeks into a cunt being fucked and stretched. Then, the girls sit Ty onto a huge fireplug type toy and her cunt lips go all the way to the floor. This forced over-filling of her pussy causes Ty to have huge orgasms. Ty dons a big strap-on to fuck Missy and gives it to her hard in her cunt and ass at the same time, while Denni stretches her own cunt with a blow up dildo. Ty reams Missy's horny slut holes deep and fast to pay Missy back for being so hard on her cunt, but Missy likes it rough. Ty does Denni with her strap-on and stuffs several other toys inside at the same time. Missy joins in until Denni cannot cum anymore. Ty asks to have her peehole fucked and you can clearly see the dildos fucking Ty's urethra to the back wall. Wow!
