Amazing Penetrations #28 - I Love My Toys

[Call for Pricing](#)

Naughty Alysha is having a love affair with her big dildos. She is obviously very involved with them and is having a secret sex session with them all day long. Alysha is not shy about satisfying herself and fantasizes a lot during her hot masturbation scenes. Alysha is not into normal size toys. Most large mammals, would have trouble accommodating a dick the size that Alysha gets off on. This means that when she masturbates and cums, the orgasms that result are earthshaking!
