Amazing Ty #52 - Amazing Gapes

[Call for Pricing](#)

Amazing Ty is masturbating with massive dildos and pauses regularly to allow the camera to see how big her holes will gape open from being stretched. Her cavernous pussy simply opens up and starts sucking air from her just moving her stomach muscles and the camera catches it all. Ty works on her cunt and cums many times before switching to her asshole. Then she jams huge toys into her butt, just like it was a pussy. Her asshole is majorly stretched out. Don't speak loudly, these holes have echo's!
