Amateur Sluts & Real Swingers #59 - Mondo Pussy Tricks

[Call for Pricing](#)

Extreme Missy is into masturbation with several weird twists. She likes to use speculums to hold her big holes open so she can play around inside with her fingers and toys. She inserts huge behemoths as big as logs and she sits on them with all of her weight to force them inside her insatiable cunthole. This results in more intense orgasms and a renewed quest for untouched territory!
