Amateur Sluts & Real Swingers #60 - Tits N' Ass

[Call for Pricing](#)

Extreme Missy is playing around with her tits by smashing them against a window and then washing them inside a sink. This warms her horny breasts up for some more extreme tit play. Missy ropes her boobs up tight until they look like they are going to pop before she starts masturbating with some big dildos in her ass. She uses hard suction on her nipples to further abuse her tits and fucks her ass hard to see if she can cum. She then uses her breast compression bars for more excruciating pressure on her now tender tits and she adds two dozen clothespins to really serve herself some self-t*rture. Once her tits are maximally trussed, Missy really goes to work on her asshole with more monster dildos. She rams the extra big ones in and reams out her orgasmic anal canal. You have got to love a girl who can cu, from fucking herself in the ass!
