Amazing Ty #54 - Big Meat Curtains

[Call for Pricing](#)

Amazing Ty openly admits that her labia are freakishly oversized because she masturbated them so much as a little girl. She is addicted to pulling and stretching them to outrageous lengths and over time, they have each become several inches long. Ty uses clips to grip her giant meat curtains and stretch them open wide. She inserts a dildo into her exposed peehole and rocks the walls when she cums. She uses a coat hanger to stretch her pussy lips and her huge cunt gapes until she fills it with an equally huge toy. Ty cums so many times that her pussy is now huge. Now she uses extremely large dildos to continue her bacchanal of solo orgasms and she must use all her weight to get the massive hunks of rubber into her big cunt. Even with the biggest dildo inside, she takes her big labia and stretches them a couple of inches around the big toy.
