Amazing Ty #56 - Butt Slut

[Call for Pricing](#)

Amazing Ty tells the camera that she really prefers it in the ass when she is being fucked or masturbating. She then sets out to give you all an amazing demonstration. Huge monster dildos are wedged deep into her anal opening one after another. Ty gets off almost continuously when there is a big dick in her ass. To make the orgasms even more intense, she will stick another huge dildo into her wet cunt when masturbating her hot hungry asshole. When you put a tree trunk sized dildo into your ass, it does not go back to normal right away! Ty's asshole must be permanently stretched out, because when she pulls her dildos out, you can see down to China inside. She has the biggest tunnel asshole you have ever seen!
