Mondo Extreme #45 - Fuckin' Fat Chix

[Call for Pricing](#)

What's the point of a skinny bitch, half the time you are afraid you're gonna break them if you pump to hard and there is never any titties to grab on too. So why not jump on a hefty chick, there is always plenty of tit and if anything you are more in danger of being hurt than her. Join these big mama's as they get their plus-sized pussies packed... you always need a little cushion for the pushing!
