Amazing Penetrations #33 - Hitting It Big Time

[Call for Pricing](#)

Naughty Alysha has a big pussy that must be stretched big in order for her to cum. She uses the biggest dildos you can buy and jams them inside two at a time so she can get that full feeling that she loves. Alysha is a contortionist as you can see as she puts her ankles up behind her ears to really plunge those giant toys as far in her cunt as possible. For the largest dildos, Alysha must sit on them in order to face them inside. The fake cocks are truly massive but her pussy is up to the task and she gushes wet orgasms!
