Amazing Ty #22 - Big Guns

[Call for Pricing](#)

Amazing Ty introduces herself and her monster dildo friends and you know right away that this is not going to be your normal jerk-off video. She starts trying to stuff dildos into her pussy and asshole that would make a brood mare wince. These rubber dicks are bigger than your thigh and Ty quickly gets your attention by jamming some of the biggest ones deep in her mammoth cunt. Which hole will this girl stretch open next?
