Denni O #25 - Cherry Poppin' Gangbang

[Call for Pricing](#)

Denni O puts out the call for another hot gangfuck amongst all her swinger friends and 17 guys show up to take advantage of the offer. They give the girls a non-stop slut fucking and Denni O takes over a dozen hot loads of cum in her expansive pink pussy, turning it at times into a frothy whipped cream. The guys use condoms to fuck Jasmine's asshole 7 times in a row and then they empty the scum-filled condoms into Denni's cum hungry hole. Denni does not let a drop go to waste. Several guys let huge gushing wads fly and splatter on top of Denni's F-cup breasts and when it dries, you see her chest coated with those crispy critters that come from loads of dried cum. Jasmine is continually begging the guys to keep fucking her and to do it harder, but no one can last more then 5 minutes inside her near virgin asshole. It must have been a tight fit for those super sized dicks in that hardly used brown eye.
