This is the only 4 girl MONSTER DILDO I know of and you will just have to have this video if you are a fan of giant toys stretching little pink holes. Denni O The First Lady of LARGE assists Amazing Ty The Queen of Monster Dildos in stretching out each other's well used holes. Jasmine is very orgasmic as the two feed the kitty and when Africa arrives, the three girls pounce on her for a 4-way big toy fuck.
