Amateur Sluts & Real Swingers #02 - Jasmine The Latex Latina

[Call for Pricing](#)

This new hot tamale on the scene is one of the most orgasmic women I have ever met. She starts getting off almost as soon as her little holes are penetrated and her orgasms build in intensity until she is bringing down the roof. She can handle those arm sized toys in her pussy by simply forcing them in. You would think it must hurt, so I think this chick is really into pain. The hard she rams her cunt the harder she cums. She even confesses to fantasies of actually fucking a real horse. Jasmine is one kinky slut.
