Amateur Sluts & Real Swingers #63 - Missy's Cummy Panties

[Call for Pricing](#)

Extreme Missy is feeling very slutty and can't wait for her boyfriend to leave for work, so that she can hook up with her younger lover. He comes over and soon as his big black dick is buried deep in Missy's hot MILF cunt. Just as he is dumping his load, the boyfriend returns for a lunchtime quickie. Her lover barley makes it out the door as the boyfriend gets ready for some afternoon delight. When he finds out that her bog pussy is filled with sperm he realizes that she has just boned someone else. To punish Missy for being such a slut, he selects some massive dildos and fucks her brutally with them. She begs for mercy but cannot stop cumming from the onslaught of huge rubber. Missy is struggling to take a serious grudge fuck from her boyfriend's huge cock. It whips all the cum that her lover left into a bog frothy mess. She takes a pounding from his giant dick and soon adds another huge load to her overflowing hole. Then she's forced to wear her sloppy panties for the rest of the day.
