Denni O #30 - Las Vegas Swinger's Convention

[Call for Pricing](#)

Denni and Alysha are goofing off around Las Vegas warming up for things to come. They are out on the town and their big tits are the main attraction for passing tourists. They never hesitate to show the goods, but the real fun is when they get back to the hotel and meet 10 of their swinger friends and a huge orgy ensues in Denni's room. Denni, Alysha and her swinger friend Alice take on 8 guys including 5 really hung black guys. Guess which one is named Cockzilla! You know Denni's penchant for really big cocks and she makes sure when in Las Vegas the deck is stacked, so to speak!
