Denni O #32 - Suction Pumping Gang Bang

[Call for Pricing](#)

Denni O invites 8 guys over to fill her cooter as many times as they can with their hot loads. The guys decide to use a suction pump to clear her gash of excess dick splooge after each fucking. After Denni's honey pot gets so loose and sloppy that the guys aren't able to cum anymore, they insert a fat clear funnel into her hole to spread it open. Denni's pussy digests enough cum in one year to feed a small nation. This hot pussy was made to eat cum.
