Amateur Sluts & Real Swingers #78 - Pumpin' & Humpin'

[Call for Pricing](#)

Slut Shelby wants to pump herself UP! She uses a pussy pump on her huge fat pussy until it swells into two giant fat flaps. This usually makes her sloppy hole super tight. Nothing like inflating the pussy lips to add grip to the cock. When her stud fills her full of creampie, he uses the pump to draw it back out of her pussy. Is that your pussy or a big pink donut between your legs?
