White Girl Got Azz #02

[Call for Pricing](#)

Damnn... these white girls got azz!!!! Either their mother's fed them collared greens & corn bread or they were pretty damn close with some Puerto Ricans and eating red beans & rice when they were growing up. Whatever the case may be, these girls have bodies that most would die for on top of beauty! But who loves big plump butts more then anyone... the brothas of course... And Black Magic Pictures has a group of well-endowed brothas that are going to show you just how much! Packed with jaw-breaking blowjobs, hard pussy pumping, and cum splattered faces that will have you begging for more!
