You all know how horny Alysha gets when she hasn't had a fat cock stuffed inside her zesty wet slit & hot tight ass in a while. But, for those of you who don't, she goes to her rather large toy box that sits near bed. Once there, she pulls out the largest dildos that you'll ever see, along with some of her small favorites, and sets them on the bed. Then this dazzling beauty lies on her back with lube in hand and begins her mission for the ultimate orgasm. So, watch Alysha as she D.P.s herself with dildos, stuffs three in her hole, and push herself to the limits like you've never seen her before!
